The 1958 District Music Festival was held in Chinook on April 18 and 19. Over 900 student members of bands and choruses plus directors, teachers, parents, and interested spectators were in Chinook for the two-day festival. Two of the officers of the festival were from among the music teachers of Chinook High School. Mr. Prestbo was president and organizing chairman and Mr. Winden was district festival secretary-treasurer. This event, the first of its kind to be held in Chinook, was very successful and we hope there will be many others like it.

Conway To Speak At Commencement Here Wednesday, May 21

The senior class of 1958 will hold its graduation exercises on Wednesday, May 21, at 8:00 p.m. A class of 41 seniors will engage in the commencement. Main speaker for the commencement will be Walter L. Conway, former superintendent of Chinook schools and now of Polson and Missoula, Montana.

Also speaking at the exercices will be Diane Stirland, Valedictorian, and Patricia Johnson and Sue Patchell, co-salutatorians.

Mr. Ted Westin, chairman of the Board of Trustees, will present the diplomas to the seniors.

Following the exercises will be the annual all-night party for the seniors, sponsored by the Business men's Association and the Eagles Lodge. Previous graduating classes have thoroughly enjoyed their parties.

Tonight, Monday, May 19, the seniors will hold the anual Class Night, with members of the class performing in various skits and other solo numbers. The Class Will, Class Prophecy and Class History will be read and will later appear in the Chinook Breeze, which will be issued in the fall.

Baccalaureate services were held last night with Rev. Fr. Weidinger officiating. Baccalaureate is also an annual event of each graduating class. The members of the class vote for the minister of their choice to speak.

Class sponsors for the senior class are Mr. Amos Denney and Mr. Floyd Bowen.

Council Discusses Value Of Co-op Employment

During the last Student Council meeting a rather spirited discussion about Co-op was started. The Student Council had been asked for its opinion on what to do about Co-op. After much discussion and argument they came to no definite decision and tabled the subject for further study. But here are a few of the things said about Co-op during the meeting:

1. Co-op is a way for students to help pay their way through school.
2. Couldn't Co-op be set up on an individual basis — for those who really needed it?
3. Co-op deprives students of he appears to be trapped by her time in which to take colle trance courses which are ing increasingly important t to enter college.
4. Co-op interferes with students who are also try hold school offices.
5. Couldn't Co-op provid ter training to students wh to work or get married rig of high school?
6. Co-op shouldn't just be for students to get out of sch to waste time.
7. Perhaps Co-op should b er associated and supervis the school.

Class Prophecy

Ten years have passed since the Class of 1958 graduated from the hallowed halls of Chinook High School. Many interesting changes have occurred in their lives. I'm sure that you'll agree after hearing these latest reports.

RALPH ALLISON has just published his latest book "Those Wild, Wild Women."

CHS now has a new addition. JORDON ARVOLD is now Mrs. Crockett's mascot. It seems he just couldn't get along without her. (poor guy)

TOM BELL is now undertaker in the city of Chinook. His motto is "I Make Money While Other People Go In The Hole!"

MARGARET CHAPMEN, BONNIE RAE FINCH, and BONNIE BOE were voted Hollywood's most promising young actresses of 1968. They can be seen currently starring in their brand-new film "The Three Stooges."

NANCY BLOCH is now sole owner of the Aunt Jemima Pancake Co. and boy, can she flip!

DAVID BRADY just resigned his position as editor of Stag Magazine. JOHN McCANNEL will take his place. It seems that Dave was just running out of ideas.

ELSIE CLARIDGE, the noted journalist, is endeavoring to write the perfect American novel. We hear that she's having trouble, however, because she's trying to use her classmates as characters. (well, what could she expect.)

After searching for 19 years, MELVIN BURCHARD has finally discovered what the "Thing" is! However, he is not disclosing this information yet.

CLIFFORD CLARIDGE is still resting. After all, graduating is tiresome, isn't it, Punk?

TED CLINE is still selling ads for the 1958 Chinook Breeze. But don't give up, TED, where there's a will, there's a way.

JUDY CONNER and DIANE STIRLAND, now sisters-in-law, are still the world's number one boxing fans. (providing that Gale and Vic are fighting).

BEVERLY DOUGHTON is now modeling bathing suits at the swimming pool. Her motto is, "I'll try 'em, if You'll buy 'em."

ALICE DENNING is the new owner of The Fountain. Her motto is . . . "We can't please everybody . . . especially you."

RUBY FRANCIS is now Elvis Presley's psychiatrist. If she can't figure out the meaning behind his movements, nobody can!

BOB HANSON is the head of the Charles Atlas Association. His motto is "We Build Men Out of Anything."

MINERVA GEFFREY is now Mrs. Forrest Belcher . . . busy raising all her little burps.

JOANNE GRAHAM, champion backstroke swimmer, was nearly drowned the other day while washing her hair.

DALE GUERTZGEN was very disappointed last week when he was told that he was too old to appear on the "Quiz Kids Program." Next week, wearing short pants, he will try again.

ZELLA LUNDEN is now a notorious gun moll! She's better known in the underworld as "Pistol Packin' Mama."

BLAINE THEATER
Best of Luck!

BOB ROHRER is in the hospital again. He was born crazy and has had another relapse.

DOROTHY HEBBLEMAN has just published her latest book entitled "How To Give Hickies In Ten Easy Lessons."

JIM INGWALSON is now running for President of the United States (on the Democratic ticket of course), and he has Mrs. Crockett as his number one supporter.

Mrs. Chet Francis has finally retired as a teacher of piano in Chinook. And who do we find counting 1, 2, 3, 1, 2, 3, to sticky fingered little boys? None other than PATTY JOHNSON.

FAYE KESSEL is operating a control tower at Great Falls Airbase. She sure knows how to handle those pilots.

JANET LUCKETT has just published her book. "Which Man is the Right One." Could it be that she is having trouble?

WALLINE NASH is now a notorious lady gambler at the Sands Hotel in Las Vegas. Her favorite line is "Shut Up and Deal ! ! ! "

SUE "Carrie Nation" PATCHELL mounts her soap box every Sunday afternoon to lecture on the evils of the Cozy Corner.

LYNN PERKINS is now Queen Elizabeth's court jester and he guarantees that you'll always smirk with Perk, (the jerk).

EILEEN RAMBERG has finally discovered the secret of success. Well, you don't think she's going to tell *you*, do you???

LARRY SCHUBERT is now the new Senior English teacher of CHS. Careful, kids! He's smart, aincha, Larry?

CAROL SEAMAN married a Texas millionaire. Upon asking her how things were going she replied, "Oh, in spurts."

GARY SEVERSON, after graduating from BYU is still BYU . . . bewildered, yearning, and unescorted.

MARY GAIL SKILLEN has joined the Waves and is trying to beat Dale to every port.

NORMAN THOMPSON is still working at the Food Center. Come on, Norman, give the co-op boys a chance.

GAYLORD WAISETH now runs a filling station on Highway No. 2. His motto . . . "If you run dry, just stop by."

GENE WHINNEN is Hollywood's new Romeo. Well, they had to get someone didn't they?

PAT WHITE, author of the books, HOW TO BE A SUCCESSFUL WIFE and TREAT YOUR HUSBAND WITH CONSIDERATION, is now filing for divorce.

MARILYN WILLIAMSON is now a history teacher. This way she feels that she won't have so much trouble with her dates.

LARRY NASLUND has just taken Bob Hope's place as World Famous Comedian . . . but yet has not reached full success, for he is still looking for Jane Russell whom Bob took with him.

Well, that finishes that. But I'm sure that you'll want to write a letter of congratulations to the Class of 1958 on their brilliant achievements.

PHILLIPS "66"
Congratulations

Class Will

RALPH ALLISON leaves his Pepsodent smile to anyone who uses Colgate!

After a two year struggle, Mr. Denny can now uncross his fingers as JORDON ARVOLD is finally leaving Chemistry.

TOM BELL leaves his athletic ability to Gordon Jollif. Of course Gordon promised to maintain the same high training standards.

BONNIE BOE leaves visiting teams to the girls of CHS, since she'll be beyond such things next year.

NANCY BLOCK gives her "I don't see why" to all true knowledge seekers for the solution of all major problems.

DAVID BRADY leaves his cowboy boots to Bob Leeds.

MELVIN BURCHARD doesn't mind leaving a goodly portion of his timidity and quiet reserve to Alan Naslund.

MARGARET CHAPMAN leaves her short hair-do to Billie Jean Crittenden.

ELSIE CLARIDGE leaves her neat penmanship to Mrs. Crockett. Now the students can read the "handwriting on the wall."

CLIFFORD CLARIDGE leaves his ability to celebrate New Year's Eve (or any other eve for that matter) to next year's Seniors. That's a real challenge for ya.

TED CLINE leaves the women of CHS to anyone who wants 'em. He figures there'll be plenty more for him wherever he goes.

JUDY CONNER wills her ability to get along with Vic Sargent to all his boxing opponents. Now maybe they stand a chance.

ALICE DENNING leaves her warm, friendly, QUIET smile to Sandra Cowan. Maybe now peace will reign in the halls.

BEVERLY DOUGHTEN leaves her "better half" to the incoming freshman girls.

BONNIE RAE FINCH leaves her long eyelashes to all the girls in CHS who have short stubby ones. Now that should make them happy.

RUBY FRANCIS leaves her ability to get along with Mr. Stroud to next year's Seniors. Seems like Ruby had a monopoly on it this year!!

MINERVA GEFFERY wills her unaccountable absences to any student who thinks he can get away with it as she did.

DOROTHY HEBBELMAN and JOANNE GRAHAM leave their ability to have a good time to anyone who dares to outdo them.

Some people sit and waste time. DALE GUERTZEN leaves his ability to just sit.

BOB HANSON leaves his efforts towards growing a mustache to Garwood Seamons. Now, you won't have to shave every morning, Garwood.

JIM INGWALSON leaves his drum to Kitty Sharples. You carry it for awhile, Kitty—Jim's tired.

PATTY JOHNSON leaves her straight "A" report card to Ray Belcher. Now, maybe he will forget about boxing and give the books that extra punch.

FAYE KESSELL leaves her baton to Mr. Prestbo. Whoops—somebody goofed.

JANET LUCKETT leaves her smooth walk to Marilyn Whinnen. Now Marilyn won't be able to claim herself the only girl in CHS that can walk down the hall and dent the lockers on both sides.

If ZELLA LUNDEN didn't want to retain her man-chasing ability she'd leave it to Mary Keller—but then Mary has talents of her own!

JOHN McCANNEL wills his quiet ways and ability to get along with his teachers to Lennie Drugge. Not that he could use it.

WALLINE NASH wills her slumber parties to all the boys who have tried to crash them. It won't do them much good though, the girls will all be gone.

SUE PATCHELL wills her iron-hand ruling at the Cozy to Mrs. Burns. That should put an end to any and all juvenile delinquents.

LYNN PERKINS leaves his hearty laugh and pleasant disposition to next year's Seniors. Boy, they'll need it!

EILEEN RAMBERG bequeaths her blonde hair to Mrs. Crockett. With Eileen's red hair and that bright red dress of Mrs. Crockett's, how can the young politicians resist her.

To the Junior boys of next year, BOB ROHRER leaves Melody Warren with all his compliments.

LARRY SCHUBERT leaves his laziness to Karen Upshaw. Combined with her energy the result should be normal activity.

To Billy Brinkman, CAROL SEAMAN leaves her motto of "Silence is Golden." Let's hope you will follow it as Carol did, Billy.

GARY SEVERSON leaves his smooth performance on the dance floor to Fred Bonebright. Say good-bye to the stag line, Fred.

MARY GAIL SKILLEN leaves her talent of snagging a diamond to any lucky girl of the class of '59 who can find a man that is actually breathing.

DIANE STIRLAND bequeaths her sexy voice to Mr. Broderick. Use it in the same quiet manner that Diane did, Mr. Broderick.

NORMAN THOMPSON leaves his job at the Food Center to anyone who can get along on those wages.

GAYLORD WAISATH leaves, and is he ever glad to get out.

GENE WHINNEN leaves his physique to Angus McCloud. Mmmmmmmmmmm!!

PAT WHITE leaves her sparkling personality to CHS. It's needed.

MARILYN WILLIAMSON leaves her winter coats. She's got enough memories to keep her warm.

LARRY NASLUND leaves his favorite parking place on Alcohol Hill to Mary Gail Boe and Sandi Bollinger. Now you won't have to get stuck out at the Stockyards anymore, girls.

Class History

The Class of 1958 came into high school as freshmen. Douglas Neibauer became their first president. Jim Ingwalson acted as vice-president, while Diane Stirland was their secretary-treasurer. Mr. Heintz, their sponsor, helped and encouraged the frosh. Sue Patchell, Everett Kulp, and Lynn Perkins served on the Student Council.

The freshmen had beauty. Margaret Chapman was elected to run as their candidate for Carnival Queen. Not only did they have beauty, but they also had talent. Janet Luckett was elected as cheerleader.

After three months of play these students entered C. H. S. as sophomores. Everett Kulp took on the duties as president with John Ambrose backing him up as vice-president. Sue Patchell was elected secretary-treasurer, with Mr. Ellingson as their sponsor. Ted Cline, Bob Rohrer, and Zella Lunden represented them in Student Council.

Sophomore Carnival Queen candidate was Bonnie Boe. Bonnie Boe, Margaret Chapman, and Janet Luckett were elected cheerleaders.

Margaret Chapman was again elected to wear a gilded crown. She was named Homecoming Queen.

Gene Whinnen, Jordon Arvold, and Douglas Neibauer were awarded football letters.

Tragedy struck this class with the death of their president, Everett Kulp. John Ambrose unwillingly took over the vacancy and things went on.

At last they entered the halls of C. H. S. as upperclassmen. John Ambrose continued duties as president with Larry Naslund as vice-president. Dorothy Hebbelman controlled the strings of the purse. Mr. Chester Blaylock became their exalted sponsor. Jordon Arvold, Diane Stirland, and Jim Ingwalson represented them in student council.

The seniors of that year decided to try something different at Carnival time. All of the queen candidates were to be seniors. The juniors nominated Dixie Campbell for their candidate.

Their cheerleaders were back again! Margaret Chapman, Bonnie Boe, and Janet Luckett always came back for more.

Music lettters handed out that year went to Pat Johnson, Diane Stirland, Walline Nash, Bev Doughten, Sue Patchell, Ted Cline, Jordon Arvold, Norman Slonaker, Bob Hanson, John Ambrose, Gary Severson, Dorothy Hebbelman, Jim Ingwalson, Joanne Graham, and Nancy Bloch. Faye Kessel received a music letter for twirling. Faye placed fourth in the state twirling contest that year. Sue Patchell and Pat White received music letters from Mr. Winden.

Football letters were awarded to Tommy Bell, Jordon Arvold, Gene Whinnen, and John Ambrose for all their bruises.

John Ambrose received a basketball letter and Gene Whinnen received a manager's letter. John McCannel walked away yith a track letter.

Margaret Chapman and Bonnie Boe were awarded a two-year letter in cheering while Janet Luckett received a three-year letter.

Diane Stirland and Sue Patchell were elected as delegates to Girls' State with Margaret Chapman and Mary Gail Skillen as alternates.

Boys' State delegates were John Ambrose, Jim Ingwalson, and Norman Slonaker. Alternates were Ted Cline, Gene Whinnen, and Lynn Perkins.

The Junior Play of 1956-1957, "The Night of January 16," was a large success.

The Junior Prom theme was "Blue Hawaii," and Pat White was Prom Chairman with help from Bonnie Boe, Decorating Chairman.

Patty Johnson, Jim Ingwalson, Sue Patchell, and Diane Stirland were elected to the Honor Society. Dorothy Hebbleman was elected as secretary of the Student Council.

Pat White won first and Zella Lunden third in the essay contest entitled "AMERICA'S CRUSADE FOR FREEMAN'S RIGHTS." Pat Johnson won first and Mary Gail Skillen won second in the contest entitled "ONE NATION UNDER GOD."

Diane Stirland traveled to Washington, D. C., to attend Girls' Nation during the summer. She was one of the two girls to go from Montana.

At last the Class of '58 came into C.H.S. as top dog. Lynn Perkins was elected to be their president with Judy Conner as vice-president. Bonnie Rae Finch was secretary-treasurer, and Margaret Chapman and Larry Naslund went to represent them in student council. Mr. Denny and Mr. Bowen were their sponsors.

Mary Gail Skillen was crowned Queen of the Carnival that year.

Isn't it strange
That princes and kings,
And clowns that caper
In sawdust rings,
And common people
Like you and me
Are builders for eternity?

Each is given a bag of tools,
A shapeless mass,
A book of rules;
Each must make—
Ere life is flown—
A stumbling block
Or a stepping stone.

Throughout your twelve years of schooling you have come under the close scrutiny of numerous individuals and groups, and now in due time you will be joining the ranks of these critics.

If you will but stop to consider that even after you are out of school you will come under constant, close observation, you will readily understand the need for regulatory measures, and you will temper your critical observations so that they will be both reasonable and prudent.
